

## Χλωριδικός Κατάλογος Μικρο-Αποθέματος *Hypericum aciferum*

### Φυτικά ταξα μικρο-αποθέματος *Hypericum aciferum*

|    |   |     |   |
|----|---|-----|---|
| 1  | Aetheorrhiza bulbosa (L.) Cass. subsp. microcephala Rech. fil.          | 68  | Lagoecia cuminoides L.                                      |
| 2  | Allium bourgeaui Rech.f. subsp. creticum Bothmer                        | 69  | Lamyropsis cynaroides (Lam.) Dittrich                       |
| 3  | Allium rubrovittatum Boiss. & Heldr.                                    | 70  | Leontodon tuberosus L.                                      |
| 4  | Anagallis arvensis L.   | 71  | Limonium sp.  |
| 5  | Anogramma leptophylla (L.) Link   | 72  | Linum strictum L.   |
| 6  | Anthemis chia L.  | 73  | Lithodora hispidula (Sm.) Griseb.                           |
| 7  | Anthyllis hermaniae L.  | 74  | Lomelosia brachiata (Sm.) W.Greuter & Burdet                |
| 8  | Arenaria muralis (Link) Sieber ex Spreng.                               | 75  | Lotus peregrinus L.   |
| 9  | Arisarum vulgare Targ. Tozz.  | 76  | Malcolmia flexuosa (Sm.) Sm.                                |
| 10 | Aristida caerulescens Desf.   | 77  | Malva cretica Cav.  |
| 11 | Aristolochia sempervirens L.  | 78  | Mandragora autumnalis Betrol.                               |
| 12 | Asparagus aphyllus L.   | 79  | Matthiola sinuata (L.) R.Br.                                |
| 13 | Asperula rigida Sibth. & Sm.  | 80  | Medicago disciformis DC.                                    |
| 14 | Asplenium ceterach L.   | 81  | Melica minuta L.  |
| 15 | Asterolinon linum-stellatum (L.) Duby                                   | 82  | Melica ramosa Vill.   |
| 16 | Atractylis cancellata L.  | 83  | Melica rectiflora Boiss. & Heldr.                           |
| 17 | Avena barbata Pott ex Link  | 84  | Mercurialis annua L.  |
| 18 | Ballota acetabulosa (L.) Benth.   | 85  | Narcissus serotinus L.                                      |
| 19 | Ballota pseudodictamnus (L.) Benth.                                     | 86  | Nerium oleander L.  |
| 20 | Bituminaria bituminosa (L.) Stirt.                                      | 87  | Ononis reclinata L.   |
| 21 | Blackstonia perfoliata (L.) Huds.                                       | 88  | Origanum dictamnus L.                                       |
| 22 | Brachypodium retusum (Pers.) P.Beauv.                                   | 89  | Origanum microphyllum (Benth.) Vogel                        |
| 23 | Briza maxima L.   | 90  | Parietaria cretica L.                                       |
| 24 | Bromus fasciculatus C.Presl   | 91  | Phagnalon graecum Boiss & Held.                             |
| 25 | Bromus intermedius Guss.  | 92  | Phagnalon rupestre (L.) DC.                                 |
| 26 | Bromus madritensis L. subsp. haussknechtii (Boiss.) H.Scholz            | 93  | Phlomis lanata Willd.                                       |
| 27 | Bromus sterilis L.  | 94  | Picris pauciflora Willd.                                    |
| 28 | Calicotome villosa (Poir.) Link   | 95  | Pinus brutia Ten  |
| 29 | Capparis spinosa L. subsp. rupestris (Sm.) Nyman                        | 96  | Piptatherum coerulescens Desf.                              |
| 30 | Carlina corymbosa L. subsp. graeca (Boiss.) Nyman                       | 97  | Pistacia lentiscus L.                                       |
| 31 | Centaurea argentea L. subsp. macrothysana (Rech.f.) Turland & L.Chilton | 98  | Plantago afra L.  |
| 32 | Centaureum tenuiflorum (Hoffmanns. & Link) Fritsch                      | 99  | Plantago bellardii All.                                     |
| 33 | Centranthus calcitrapae (L.) Dufur.                                     | 100 | Plantago weldenii Rchb.                                     |
| 34 | Ceratonia siliqua L.  | 101 | Polycarpon tetraphyllum (L.) L.                             |
| 35 | Charybdis maritima (L.) Speta   | 102 | Prasium majus L.  |
| 36 | Cheilanthes acrostica (Balb.) Tod.                                      | 103 | Prospero autumnale (L.) Salisb                              |
| 37 | Chenopodium murale L.   | 104 | Rhamnus lycioides L. subsp. oleoides (L.) Jahandiez & Maire |
| 38 | Cistus creticus L.  | 105 | Ricotia cretica Boiss. & Heldr.                             |
| 39 | Colchicum pusillum Sieber   | 106 | Rostraria cristata (L.) Tzvelev                             |
| 40 | Coridothymus capitatus (L.) Rchb. f.                                    | 107 | Salvia viridis L.   |
| 41 | Cosentinia vellea (Aiton) Tod.  | 108 | Sarcopoterium spinosum (L.) Spach                           |
| 42 | Crepis cretica Boiss.   | 109 | Satureja juliana L.   |
| 43 | Crepis multiflora Sibth. & Sm.  | 110 | Satureja thymbra L.   |
| 44 | Crepis tybakiensis Vierh.   | 111 | Scaligeria napiformis (Spreng.) Grande                      |
| 45 | Crucianella latifolia L.  | 112 | Sedum creticum C.Presl                                      |
| 46 | Cuscuta palaestina Boiss.   | 113 | Sedum litoreum Guss.  |
| 47 | Daucus guttatus Sibth. & Sm.  | 114 | Selaginella denticulata (L.) Spring                         |
| 48 | Daucus involucreatus Sibth. & Sm.                                       | 115 | Sideritis curvidens Stapf                                   |
| 49 | Dracunculus vulgaris Schott   | 116 | Silene colorata Poir.                                       |
| 50 | Echium arenarium Guss.  | 117 | Silene sedoides Poir.                                       |
| 51 | Erica manipuliflora Salisb.   | 118 | Stachys spinosa L.  |
| 52 | Ferulago thyrsoflora (Sibth. & Sm.) W.D.J.Koch                          | 119 | Staelina fruticosa (L.) L                                   |
| 53 | Ficus carica L.   | 120 | Stipa capensis Thunb.                                       |
| 54 | Fumana arabica (L.) Spach   | 121 | Teucrium cuneifolium Sm.                                    |
| 55 | Galium fruticosum Willd.  | 122 | Thymelaea hirsuta (L.) Endl.                                |
| 56 | Galium graecum L.   | 123 | Tolpis virgata Bertol.                                      |
| 57 | Galium murale (L.) All.   | 124 | Tordylium apulum L.   |
| 58 | Genista acanthoclada DC.  | 125 | Trachynia distachya (L.) Link                               |
| 59 | Geranium purpureum Vill.  | 126 | Trifolium campestre Schreber                                |
| 60 | Geranium rotundifolium L.   | 127 | Trifolium scabrum L.  |
| 61 | Hyparrhenia hirta (L.) Stapf  | 128 | Tripodion tetraphyllum (L.) Fourr.                          |
| 62 | Hypericum aciferum (Greuter) N. Robson                                  | 129 | Umbilicus horizontalis (Guss.) DC.                          |
| 63 | Hypericum empetrifolium Willd.  | 130 | Urospermum picroides (L.) Scop. ex F. W. Schmidt            |
| 64 | Hypochaeris achrophorus L.  | 131 | Valantia hispida L.   |
| 65 | Inula crithmoides L.  | 132 | Valantia muralis L.   |
| 66 | Juniperus phoenicea L.  | 133 | Verbascum arcturus L.                                       |
| 67 | Kickxia sp.   | 134 | Verbascum spinosum L.                                       |
